

Proctor Library—Flagler College ASA Citation Sheet
Provided Courtesy of Dr. Leonard Steverson

For information on correctly formatting a paper please consult ch. 4. p. 43-68, ch. 5, p. 69-88 and the Appendix of the *American Sociological Association Style Guide*, 5th Edition in the Ready Reference Collection, HM569 .A54 2014.

The most important components of a citation are the **author(s)**, **book** or **journal title**, **article title**, **date**, **publication location** and **publisher**, **volume** and **issue number**, **page number**, **url** or **doi**, and **access date**. Section and page numbers corresponding to each citation are included for the reader's reference.

If the document being cited is missing a piece of information, skip that portion of the citation and move on the next page.

For more details and further help consult either the *ASA Style Guide* or visit a librarian on-duty in the library.

Book, Single Author (4.3.1, p. 45; Appendix, p. 105)
